Grandfather Kills Child, Attempts Life

A. R. McCoy, 52, of 207 Los Banos, Daly City, was described as a good neighbor, and an old man who was good to the kids. He was said to have worshipped his two-year-old grandson, Bobby Salas.

Last Friday morning his neighbor, Andy Flick of 214 Los Banos, saw McCoy standing on his doorstep across the street. McCoy was bleeding and moaning.

Flick told his wife to call police and took a clean dish towel across the street to bind McCoy's slashed wrists.

The grandfather had just written a suicide note after hitting his baby grandson on the head with a hammer in the bedroom of their four-room house.

Police arrived after getting the phone call at 8:45 a. m. The first officer arriving was Edward Guzman. Both victims were still alive and taken to the Kaiser Hospital in South San Francisco. The child was pronounced dead on arrival.

Anthony McCoy was reported in satisfactory condition in the hospital. He was questioned by Daly City police before being transferred to the County General Hospital.

Police at the scene read a suicide note and conjectured that the murder was a desire to strike back at the mother, Maureen Salas, who allegedly had neglected the child.

The one-story flat was splattered with blood. The baby was found on a blood-soaked sheet in the bedroom.

The suicide note, written on ruled notebook paper, was hardly legible. A note written across the top of the envelope said, "I gave him a dozen of your tranquilizers so he won't suffer as much as I hope I do." The mother, a divorcee, reportedly is employed by a San Francisco firm.

4-Year School Study Group Is Approved

The Senate has unanimously approved an interim committee study on the feasibility of requiring all elementary and high school districts in California to adopt a 12-month, four-quarter school year, as proposed by Senator Richard J. Dolwig (R-San Mateo County).

Coincidentally, passage of Senate Resolution 199 came only one day after an announcement by the State Board of Education that it planned to investigate the need for such a plan as part of an over-all review of California's public education.

The resolution by Senator Dolwig, which was introduced June 5, asks that the Senate Interim study be completed in time for action by the 1965 general session.

He noted that the study, a four-quarter system for the public school system, is part of an over-all review of California's public education.

Large Grass Fire on San Bruno Mountain

State forest crews fought for more than four hours Monday to extinguish a grass fire on the side of San Bruno mountain.

The wind-whipped flames shot across 50 to 55 acres of grass.

Capt. William Fox of the South San Francisco department said the fire was started by a 10-year-old boy.

A Look at New Southern Hills

By Donald Doe
Sprouting from bulldozed furrows on the northern slopes of the Crocker Hills that rise in the north-eastern corner of Daly City is the Southern Hills development.

The ingredients were first unwrapped in June of 1960, when 116.2 acres were annexed to Daly City on the thirtieth of the month. A second annexation of 7.5 acres, carried out after things were well under way, came in mid December, 1962. The first subdivision was given final approval on January 23, 1961, with the minimum lot covering 3000 square feet.

The first Southern Hills building permit (No. 15549) was issued three months later. It was for a three bedroom home, to be built by the

What Happened To DC Mental Health Clinic?

By Jack Wood
When ideas for meritorious public projects get pushed into the background, the reason often is that community interest is lacking or funds are not available.

Such is the case of the idea for a Daly City mental health facility.

Mayor Joseph Verducci introduced the idea two years ago before the North County Council of Cities.

Last June, high school and elementary district supervisors Edward Morgan and Richard Foster urged the need for more mental health facilities and personnel to take care of increasing demands on the school districts.

At that time it was pointed out that northern San Mateo county has a higher percentage of mentally disturbed youths than anywhere else in the state.

A recent effort was made by Daly City Councilman Frank Pacelli, who will take over the leadership of the Daly City Youth Study Committee from Robert St. Clair.

Pacelli on May 16 urged the North County Council of Cities to endorse some type of mental health clinic. He requested planning assistance from the department of health and welfare.

This project has not been approved on the county level. The Board of Supervisors has not authorized the establishment of any branch of mental health in the North County beyond that already established, which is referral of patients to the County Medical Association.

The board has discussed referral of North County patients to a Child Health Council. This calls for contractual mental health services in which the county contributes to a locally supported program.

Under the present health set-up, patients are referred to the nearest San Mateo County hospital, according to Verducci.

Problem children in local grade schools, often as not, do not take advantage of treatment at these centers, partly because of lack of transportation.

The homes now come in 19 different styles, all available in decorator colors. The grass, planted just after the new block receives its stucco veneer, still looks like green celophane when the occupants arrive.

The instant community is without the shopping center, but it does have its own, precariously perched, school. The Panorama Elementary School is now under construction. It will be a part of the Brisbane district, being a bit out of reach for the Jefferson district.

The problem children are now identified early in the schools, between the ages of 6 and 8.

"The majority of them don't get treatment," Verducci said, "and they get worse."

This leads to drop outs and juvenile delinquency. The students are often poor readers and poor students.

Mayor Verducci added that a Mental Health Facility for Daly City should be eventually made available "if we continue to push."

He called for more public support of this project.

This facility, said Verducci, should be adequately staffed, and needn't be large, in order to give this area continual assistance in mental health problems.

Co-authors on the measure, SB 785, are Assemblyman Carl Britschgi (R-Redwood City) and Leo J. Ryan (D-South San Francisco).

Undertaken at the request of the San Mateo County Board of Supervisors and Presiding Superior Court Judge Wayne Millington, the bill amends Section 1744 of the Civil Code to permit the Court to appoint a Conciliator in carrying out its functions.

Senator Dolwig said the office of Conciliator has been in existence on an "experimental" basis.

"Island Area" Protest Heeded

A State Assembly committee has decided that Daly City may annex the Cow Palace after all.

The assembly committee on municipal and county government killed the Senate-approved bill aimed at blocking annexation of the Cow Palace by Daly City.

The motion to hold the bill in committee—thus killing it for this session—was made by Assemblyman Ryan (D-South San Francisco).

Daly City and Bayshore officials hailed the action as a major victory.

Daly City mayor Joseph J. Verducci, was joined by Ryan, City Attorney Paul Hupf and San Mateo County Manager R. M. Stallings in opposition to the bill.

Testifying before the committee in support of the McAttee bill were Robert McCarthy, chairman of the board of directors of Agricultural District 1A, which runs the Cow Palace, Howard Gilmore, a board member, and Jefferson Peyer, counsel for the San Mateo County Housing Authority.

Daly City Attorney Hupf, said in effect, that if the annexation excluded the Cow Palace, it would create islands among unincorporated areas.

The city took the position that annexation proceedings followed all legal aspects of the Annexation of 1913 (The Inhabited Act).

Bayshore City residents Mrs. Kenneth Pack and Herbert Ritzman of the Bayshore Citizens Committee, who opposed the bill, said if it became a law, it would render meaningless a vote scheduled for July 2 on the question of Bayshore City's annexation to Daly City.

Senate Bill 1606, also included a provision to exclude the annexation of Public Housing Authority.

If the bill would have passed it would have excluded the Midway Village housing project in Bayshore City from the annexation.

Daly City officials pointed out that the Housing Authority never at any time protested the annexation.

Mayor Verducci said "The exclusion of the Public Housing Authority has not been justified and indicates the danger of this legislation. If this agency is excluded, it will be left as an island without any necessary services."

They praised the defeat of Senate Bill 1606 in no uncertain terms and took a dim view of any future attempts on the matter.

Herbert Ritzman, Bayshore Citizens Committee chairman stated that "naturally, I am very pleased over what took place. I feel that the will of the 4,000 people in Bayshore City is being fulfilled."

He said he is confident the annexation will proceed as the Bayshore residents want it to, and thanked the city officials of Daly City, who worked to defeat the bill.

Ritzman said he felt it was in the best interest of the Cow Palace that the legislation was defeated, since they would have lost their fire service from Bayshore City.

Mrs. Kenneth Pack of the Bayshore Citizens Committee said she was irritated at the stand of Senator Eugene McAttee, who sponsored the bill.

McAttee said he was positive that there was going to be a "cloud" on the future annexation of Bayshore City to Daly City.

Only residents of the proposed annexation district are eligible to vote in the election. Persons now residing in Daly City may not vote.

The election will be held on Tuesday, July 2 and persons who will not be home at that time may get ballots from the office of the Daly City clerk, Anna Ohlendorf.

BACK IN AGAIN — The Cow Palace in Bayshore City was the subject of a debate in an assembly committee hearing Monday. The assembly committee killed a bill which would have exempted the building from annexation by Daly City. The bill was opposed by Daly City and Bayshore City residents concerned that if it became law it would render void a vote July 2 on the question of Bayshore City's annexation to Daly City.

Correction . . .

The fare increase to be asked of the Public Utilities Commission by Northgate Transit Lines of Daly City, will be an overall 5-cent increase.

A 10 cent increase will be asked for Sundays and holidays only, according to Charles Lucas, president of Transit Lines.

The Westlake Times last week said the company would bring a proposed increase of 10 cents, from the present 15 cents, to 25 cents before the Public Utilities Commission.

The 10 cent increase is for Sundays and holidays only.

Approve County Counselor For Divorce Cases

New Name Voted for Tuberculosis Assn.

The board of directors of the San Mateo County Tuberculosis and Health Association recently voted to change their organization's name to "Tuberculosis and Respiratory Disease Association of San Mateo County."

In announcing the change, Mrs. Howard Wenrick, president, explained: "Our expansion into the field of other chronic respiratory diseases besides tuberculosis makes the new title more appropriate. Other TB Associations throughout the country have been changing their names during the past year to indicate the wider scope of their activities."

The group is currently participating in a nationwide educational campaign to alert the public to the dangers of chronic respiratory diseases, including asthma, bronchitis, and emphysema. Theme of the

campaign is that people should see their doctors if they are short of breath or cough too much.

Stanford Graduate

Allene M. Nicholson of Daly City was awarded a Bachelor of Arts degree June 16 at Stanford's 72nd annual commencement.

The name Alameda was given to that county by an act of the state legislature in 1853. "Home, Sweet Home" was first sung in London on May 8, 1823.

It's SPARE TIME

Ken Waite became the first winner of the annual 900 Club rolloff as he posted a 698 total to defeat Ed Morris by six pins. Third place went to Grant Adkins with a 671 total. In the rolloff for the championship of the ladies 550 Club Helen Vincent took the title with 621 with Fran Morris taking second place with 606.

July will be "Learn to Bowl" month at Westlake Bowl as classes for beginners will be held weekly on Mondays at 10 a.m.; Tuesdays at 10 a.m.; Thursdays at 2 p.m. and Fridays at 1 p.m. The weekly class for juniors will be held at 3 p.m. on Fridays. An added attraction for the ladies is a free chance to win a Brunswick ball, bag and shoes by depositing a coupon when registering for the course. In addition to the instruction being free, supervised

Gary Attell missed the six hundred mark by only two pins but his 224 game and 598 series were enough to lead the Westlake Classic League.

In the Early Fives League, Frank Di Stefano took top honors with a 194 game and 527 series.

Rose Jachetta took first prize in Monday afternoon's 3-6-9 singles as she posted a 669 total to beat Evelyn Goldkuhl by twelve pins. Third place went to Emily Drago with 645 while Barbara Castonova won the mystery prize.

As the G. E. T. summer league moved into high gear Ron McLain led the pin parade with a 202 game and 564 series.

It was all five for Tony Greco as he topped the Sleepers Handicap with a 555 series on a high game of 221. John Valline's 202 game and 574 series were tops in the Westlake Knolls League for the week as the Tigers hit the dust.

All roads will lead to Westlake Saturday night for the annual Daily City Police Athletic League Benefit Bowling Tournament. There have been many advance registrations for the squad which should break last year's record of 253 as the largest group in bowling history to compete at

the same time. Following the 7 p.m. bowling, there will be dancing from nine to one and a buffet at eleven. As in the past, the cost will be \$3 per person with \$1 going to the Police Athletic League. Once again, the members of the Daily City Police Department have done an excellent job in obtaining many valuable prizes.

Helen Vincent and Ken Waite won their divisions in the first Wednesday evening 3-6-9 Mixer as this new feature captured the interest of many Westlake Bowlers. The idea of receiving an automatic strike in third, sixth and ninth frames, plus discarding the lowest of the four games in prize competition has proved to be very popular. The Mixer will be held at 7 p.m.

Texas Dragster At Half Moon

This Sunday, June 23, marks the only Northern California appearance of 1963 Texas Champion Ed Maybry. Maybry's car, a slingshot dragster powered with a super-charged Chrysler engine, has exceeded 190 miles per hour from a standing start in the quarter mile, and recorded runs in the low 8-second time bracket for the quarter.

every Wednesday during the summer.

The Golden Gate Handicap League produced two six hundred series Monday night as Don Castellano rolled a big 231 game and 632 series closely followed by John Vitalich with 211 and 610.

Anido in Operations On Attack Carrier

Gary A. Anido, interior communications electrician fireman apprentice, USN, son of Mr. and Mrs. Y. Anido of 1067 Anza dr., Pacifica, participated in operations aboard the attack aircraft carrier USS Kitty Hawk on June 6, when President Kennedy visited the ship to view a demonstration of naval power.

The Kitty Hawk was among several ships engaged in the massive demonstration off the Coast of California for the Chief Executive. The carrier recently resumed operations after a six-week inport repair period in San Diego, Calif.

The ship is scheduled to deploy to the Far East for duty with the Seventh Fleet late in July.

Serra Bowl News

Don Ahlemeyer pounded out the week's high game in the Sharpshooters summer league action last Thursday as his Freden & Co. team dropped three out of four games to the Alley Cats. Don ended his three game effort with a mighty 237 game after a dismal 101 and 132 beginning. In the same loop Bob Reed, 188 average kiegler, bowled his average to the pin with a 231 high single and a 564 trio for his Also Ran team who were defeated by the Wilsey-Bennett Co. five.

Wednesday night in the summertime is Scotch Doubles night at Serra Bowl. Over eighty couples converged on the lanes last week to compete in this weekly event which starts at 9 p.m. with pay-offs immediately following the last squad. Sandy Morabito and Al Coulter took home the top prize of \$41 the first week on a fine 678 series with handicaps. Don Gee and Carol Fahey garnered second spot with 644 to pick up \$20, and Dottie Tenner and Bob Calhoun earned \$13.60 in third place with their

636 combination. Five other prizes paid \$30 plus free merchandise gifts to lucky number holders in the tourney. Little Gary Gil blasted a big score Monday night in the 810 Scratch league at Serra as he paced his Bouquet Florist team in a three to nothing sweep over Flying Goose Trophies. Gary tumbled a steady 192-210-199 for a 601 tally and high scoring honors for the league.

Lady league bowlers will have something to shoot at Fridays in the daytime at Serra starting next week when the new Powderpuff 3-6-9 tournament gets underway. The girls will bowl three games on a 2/3 handicap between their average and 200. With a guaranteed strike in the third,

sixth, and ninth frames scores should soar. Top scores will receive cash awards every week and free merchandise drawings will add to the sweetness of the pot. Cele Guracel topped ladies' scoring in the Domestic Engineers afternoon loop with a 217-485 effort. Ruth Mort shared this week's feminine laurels with a "dutch" 200 game in the second stanza of summer Guys & Dolls league bowling.

Al Stagnaro, popular Westlake Bowl League Secretary, will again serve as co-chairman of the annual Daily City Police Athletic League Benefit Bowling Tournament, starting June 22 and continuing until August 4.

Nine Holes Added At Cypress Hills

Cypress Hills will emerge as an 18-hole golf course this September, according to an announcement this week by Bob Silvestri, club pro.

The establishment, which opened a year and four months ago in the gently rolling hills off Hillside boulevard in Colma, is being expanded into what Silvestri calls a "real sports layout."

In fact, Pete Markovich of the local chamber of commerce commented that he shot the par 36 in the new nine holes he'll be doing good.

The new nine, on rolling terrain, should be a challenge to good players, according to Silvestri. It will feature a water hole on No. 11 and No. 12 fairways. Longest hole will be No. 12 at 560 yards.

Total yardage of the nine hole is 3,300. Greens are good sizes, between 5,500 and 6,000 square footage.

Cypress Hills, though little more than a year in operation, now boasts a clubhouse, bar, restaurant, pro shop and the Sunkers Room, a well-known meeting place.

Medal Play and Guest Day at Cypress Hills

Mrs. J. E. Stauffer with a 89-24-65, took top honors in the Medal Play Tournament held Thursday by Cypress Hills Women's Golf Club. Runner up was Mrs. Adam Proctor's 90-21-69, third was Mrs. Skee Strangers with 96-24-72.

Class C winners Mrs. Harold Backer 99-29-70, three way tie Mrs. Fred Williams 97-25-72, Mrs. Victor Cortesi 98-26-72 and Mrs. Jack Stockton 98-26-72. Class C winners, Mrs. Fred Watt 103-36-67, Mrs. John Reynolds 100-32-68 and Mrs. Charles Callender 104-32-72. Guest low putt winner was a Mrs. Albert Belingher's 39. Monthly low gross winner is Mrs. Edison Phillips 85.

Next week's play will be medal play and general meeting (election of officers for the new year).

Lions Shot Out Of Saddle; Golds Take Lead

The rough and tumble American Division of the Midget Baseball League saw the Holy Angels Lions shot out of the saddle this week. Moving up and taking their place are the OLPH Golds. For the first time in many moons, OLPH is holding the top spot. Coach McGulgan has good reason to thrust out his chest. OLPH can thank the PAL Giants for their hold on the top spot. The Giants after being shut out by Miracks 4-0 came back and dumped the Lions.

In the Giants game with Miracks, Abe Shaffer tossed a 2 hit shutout. Shaffer fanned 12 and walked only one. He also collected 2 for 3 including a triple. Dale Hilsendager and Jim Viglizzo slapped the blows that accounted for the RBIs.

Turning around later in the

week, the Giants came back and pressed the Lions 14-11. The pitchers for both teams gave up a total of 17 walks in this game. Burger, Gregory, Olive and Asiento made the big difference as they blasted extra base hits to put the Giants on top.

In another close game, George Harrison Realty turned the PAL Redsox. The game

Bob Graham, Bob Locke, Mark Holmes, Mike Ferrara, Nick Nicolas and Gar Thompson hit safeties. With the score tied 10-10 in the bottom of the 7th, Dick Smith hit a high bouncer to score Bob Locke.

Midget League:

Cardinals, Leopards in Race for Championship

The National Division of the Midget League is turning into a tremendous race between the PAL Cardinals and the OLM Leopards for the crown. The Cardinals held on to the top spot by a single game. Their 10-2 record just edged out the Leopards 9-3. This week the Cards won and lost one. In their first game, Gary Wilson tossed a no hitter shutout against the PAL Yankees. The Yanks failed to hit a single one of Wilson's pitches out in the infield. Gary Wilson picked up 2 hits for his club. Latty Beifrage and Barry Gervetz both joined the triple club this week and the Card infield produced 2 double plays. Gerry Garibaldi did all he could for the Yanks to stop the Cards but his outstanding play could do nothing to hold down the 10-0 score.

Later in the week the OLM Leopards shut out the Cardinals in a 2-0 ball game. Dave Speith held down the mound

chores for the Leopards in this ball game. Gary Wilson faced the Leopards for the Cardinals. Both pitchers gave up 3 hits but the Leopards were able to turn the 3 hits into 2 runs. OLM triumphed over the Bender Roofing Cats. Steve Roche handled the mound chores for the Leopards in this one. Joe Carrara did the chucking for the Cats. The Cats could only pick up 4 hits from OLM but due to OLM errors were able to turn them into 5 runs. OLM batters turned the trick through following Steve Roche's example and picked up 7 hits that they turned into 6 runs to edge out the Cats by a one run margin. Final—Leopards 6, Cats 7.

The Cats fell again before the inspired pitching of Dave Bias of the PAL Indians. Bias in a surprise upset tossed a 3 hit ball game against the Cats. He had a no hitter until the 5th inning when Rosen of the Cats sent a thrilling drive to centerfield for a triple. Rosen also ended Bias' chance for a shutout by scoring on Jerry Manzanarez' first error of the year. Carrova also scored on a long double by McGulgan of the Cats. Rosen pitched well for the Cats only giving up 5 hits but the Indians took advantage of his gift of 8 walks. Lucky Baron of the Indians hit only 1 for 3 but it was a big blow as he was credited with 3 RBIs. Final: Indians 7, Roofers 4.

I got a traffic ticket! Argue

as I did, it was to no avail. I

paid the fine.

I was out on the freeway...

doing 65 (legal speed limit)

when the wall of a pursuing

state patrolman caught up

with me. I pulled over, shook

my purse looking through for

my identification, rolled the

window down, and was pre-

pared for the patrolman tell-

ing me what a good driver I

was.

Instead... he said: "Lady,

you were going 70... and the

top speed in this state is 65.

Why? Of course, I knew I was

innocent of his charges... I

insisted he was wrong.

He then checked the car

over... came back to me and

said... "I really believe your

speedometer said 65. I know

also that it's quite possible

that your speedometer is cor-

rect. But you were still going

70 miles per hour, lady."

Now... I've learned that

two and two is four... no

matter where you are. But he

had just said that two and two

might be four, but it didn't

matter because on his chart it

said five.

He then proceeded with

an explanation. "Your car is

equipped with tires of a larger

circumference than the model

calls for. Consequently, it will

cost you a ticket."

At this moment... all I

could think of was my hus-

band. He'd put the tires on for

one of our weekend trips into

the back woods... something

about they would be better on

the dirt roads. And now here

I was, getting a ticket. But I

still questioned the officer fur-

ther, because big tires, little

tires, they're all the same if

they're tires, aren't they?

The officer went into fur-

ther detail. Oversized tires will

reduce the indicated speed, but

not the actual speed. The dif-

ference is usually three to five

miles per hour, and can go as

high as ten or 12 miles per

hour in some cases.

Of course, I asked if I was

the first person ever confront-

ed with this predicament. He

said that he himself had issued

a number of citations to other

innocent drivers who were un-

aware they were exceeding the

speed limit because of the over-

sized tires.

Not being the type to give

up, I called my favorite par-

son in the San Francisco

police department, Sammet

Cooney, Sergeant Cooney sym-

pathized with my over-sized

tires, but said that the law

doesn't take into considera-

tion... husbands who are ne-

glectful in telling wives about

these basic problems. As long

as the speed I was actually

going was 70... I was a candi-

date for a ticket. Watch I got

The final blow came when

my husband raised an eyebrow

when I told him of my encoun-

ter with the officer. He winked

and said: "Speed demon on my

hands... well." It wasn't un-

til he checked in with a local

service station (to have the

regular tires put back on) that

he discovered that I was right.

He brought me a badge of

honor... five red roses (one

for each mile over the limit)

and a card which read... "I'm

sorry, Wendy, for getting you

a ticket." And appropriately

signed... "Your outcast four

over-sized tires."

tertaining booklet, "What Ev-

Summer Folk Dancing At Recreation Dept.

The Daly City Recreation Department is announcing its summer recreation program. There will be folk dancing every Friday from 8 to 10 p.m. starting June 21.

This is an excellent recreational activity for adults—easy to learn, fun, relaxing, no fancy clothes, easy on the budget—50 cents a couple.

It is no farther away from home than the Daly City War Memorial Community Center on Mission Street at the corner of Alp. Park your car in

back and come down the side steps by the Choral Room. The bigger the crowd, the more fun we can have. There is time for chatting over a friendly cup of coffee and cookies. Folk dancing opens the door to all-year-round fun with festivals, parties, picnics, pot-luck dinners going on all the time.

Folk dancers like to share their fun with others. Elsie MacLaren, the local folk dance director, had the rewarding experience last week of parti-

dipating in an evening of folk dancing put on by the Fun Club Workshop under the sponsorship of the Red Cross at Letterman Hospital. The folk dancers did some of their favorite dances for the patients who, in turn, had a whole of a good time learning several dances themselves. Miss MacLaren exhibited a reluc-

From A Feminine Viewpoint...

By Mona Baker

Amid the hustle and bustle of vacation plans many local women's organizations are holding final meetings before adjourning for the summer. They will not be idle however, as plans go forward for fall fashion shows, teas, dinner dances and other benefits.

Guests for luncheon at the home of Area Chairman Doris Fox last week were members of the North San Mateo County YWCA committee for a final meeting until fall. Also meeting was the YWCA fashion show committee laying plans for continuing the "Thursday Girl" with the first event a "Fashion Show Training Day" planned for October third.

Our Lady of Perpetual Help Mothers Club will be working throughout the summer on their "Memory Lane" fashion show planned for October 19.

The final meeting of the North Peninsula Circle of the Florence Crittenton Home was held last Wednesday morning at the Daly City Memorial Building. One of the first organized activities of the group is to staff the "Style Stylish Shop," California and Fillmore, which sells used clothing and bric-a-brac. An indoctrination meeting will be held next Monday morning at the shop for the local volunteers. They will work with Marin volunteers during August and then in September will staff the shop during the first, third and fifth Tuesdays.

New committee chairmen of the organization were announced and include "Style Stylish," Phyllis Odenthal and Betty Vanham; Fund Raising, Dorothy Orlich and Kay Glebow; Service Projects, Lee Stringer, Jackie Kleutsch, Liz Hopkins; Public Relations, Doris Plant, Pat Feldman; Membership, Evelyn Coleman, Anne Eason; Hospitality, Vi Murphy, Roz Smice; Phone, Joan Pedden; Transportation, Shelley Mangini; Library, Gloria George. Newly elected officers are Jean Markovich, chairman; Mel Bocci, vice chairman; Carol Hutchins, recording secretary; Marie Poggio, treasurer and Kay Glebow, corresponding secretary.

A most dedicated worker is our community leader this week who has taken on the task of heading the most important fund-raising activity of her organization—the annual fashion show. We salute Gloria Holmberg, general chairman of the "Memory Lane" fashion show of Our Lady of Perpetual Help Mother's Guild.

Giving many hours of volunteer service to her church she has served as chairman of many benefits including the annual festival. She is a member of the altar society, helps in the school cafeteria, and has been a room mother and on the executive board.

Other volunteer activities include working on Epsilon Alpha Sigma's aid to the visually handicapped project, serving on Boy Scout committees, and working on all community fund drives, several times block chairman for the polio drive.

The Holmberg family, husband, Richard and four youngsters (Richard Jr., Douglas, Steven, Michele) have been Daly City residents for 15 years, living first at Niantic Street and now at 231 Del Prado Drive in St. Francis Heights.

FASHION HINT: Shift into a "shift" for vacation. Shifts over bathing suits on the beach, drip-dry ones for traveling in the car, glamorous ones for after-five wear at resorts—whatever the occasion, you must have a shift. Like wild prints, but afraid to wear them? You can get away with it if you wear a shift—the wilder the print, the more high fashion your shift.

Men, men, men—Patti Stolz wants you, for her community chorus that is. Carrying right on through the summer with weekly rehearsals is the Daly City Community chorus preparing for fall when the chorus is already scheduled for many local appearances. Although women's voices are also needed, Patti is particularly interested in men's voices (to audition, telephone her at JU 6-2287). New additions to the chorus include Jackie Madden and Memory Gomez. Just elected too is an advisory board who will set up policies for the chorus. New members of the board include Alvin Beall, Joe Valcazar, Susan Boyd, and Adela Zemara.

NEWS BRIEFS: Important coming social event for the Daly City-Colma Lions Club members and their ladies is the annual installation dinner to be held at Bobs of Broadway on June 29. In addition to the installation there will be professional entertainment.

Plans are proceeding very rapidly for the benefit party "Musical, Parade of Stars and Tea" to be given at St. Patrick's Seminary by the Courts of the Peninsula Catholic Daughters of America. A most exciting group of stars has already been lined up.

Shirley Steigerwald is still anxious to hear from teen-age girls who are interested in learning how to knit. Drop her a note at 136 Northgate Ave. if you are interested in attending her summer class.

Thanks for your letters and notes. Just keep them coming. We are most anxious to hear about your vacation plans, house guests, fashion shows. Address Feminine Viewpoint, WESTLAKE TIMES, 3317 San Jose Ave., Daly City.

WOMEN'S ACTIVITIES

LUCKY LASSES Helena Frisell and Mary Jane Putz will soon be off for traveling adventures. Helena is returning to her home country, Sweden, and Mary Jane will be spending the summer in Italy.

Between Us Gals:

AFS Summer Travels For Helena, Mary Jane

By Bunny Gillespie

Two attractive young ladies, who will soon be sailing the Seven Seas—ON it, not IN it—were feted at a farewell tea last Sunday.

The guests of honor were Miss Mary Jane Putz, who will be leaving next Tuesday for a two-month stay in Italy under the summer-time Americans Abroad program of the American

Field Service, and Miss Helena Frisell, of Stockholm, Sweden, who will be leaving Saturday on a bus trip across the United States.

The bus tour is the final portion of Helena's year-long stay in this country and the conclusion of her experience under the American Field Service program through which teen-age students from abroad study in American high schools, live with American families and become a part of American community living. Helena has been living in Broadmoor for the past year through the hospitality of the Bill Wagner family, 1063 87th street.

She attended classes at Westmoor High with Marilyn Wagner, who was a member of Friday night's graduating group, participated in the numerous family activities of the Wagner ensemble, sung in the Broadmoor Presbyterian choir (of which Marilyn is also a member), spoken to PTAs and other organizations about her country and made hundreds of acquaintances in Daly City and Colma, acquaintances that will always have a special place in their hearts for the pretty little girl from Stockholm.

But for Marilyn and Diane Wagner, who have enjoyed Helena as a sister these past months, the furor of Helena's packing in anticipation of her return to her homeland is one mingled with definitely saddened emotions.

"Her leaving is something we just try not to think too much about," said Marilyn. "I know I'm gaining a pen-pal, but..."

Some of Helena's belongings have already been shipped to Sweden, things that can be boxed like frocks and feminine frills.

But the majority of the possessions which Helena will take back to Stockholm cannot be packaged anywhere but in her own heart and in the treasure-trove of her memory.

Helena will go to Salinas for a two-day visit after leaving the Wagner home and then be off with other AFS-ers for a four-week bus tour of the United States. The jaunt will include spending a short while personally investigating with wonders of bucolic life in Iowa and a period in Washington, D.C., arriving in New York to embark July 23 on the Holland American Lines' M. V. Seven Seas for the 8 days cruise to Rotterdam.

At her point of embarkation, the Frisell family will meet their wandering daughter and then will join friends in Germany before returning to Sweden.

Marilyn, who will enter U.C.L.A. in the fall, is already planning to study Swedish at the southern institution of higher learning, to further her correspondence with Helena and in anticipation of a now hoped-for reunion with her AFS sister when the Field Service meets in New York in 1964.

Mary Jane, who is the daughter of Mr. and Mrs. George H. Putz of 10 Mayfield drive in Daly City, will be off on the Seven Seas' June 26 cruise across the Atlantic, after flying via the AFS chartered plane from Los Angeles.

JUHS Mass Highlights Grad Week

On graduation morning, June 13, the Baccalaureate Mass for Jefferson High School graduates was meaningfully celebrated by the Rev. Matthew P. Sullivan, California state chaplain of the Catholic Daughters of America, at our Lady of Perpetual Help Church in Daly City.

The Rev. William R. Lowery assisted as deacon; the Rev. Melvin J. Hary as sub-deacon, and the Rev. William P. Doyle, commentator, explained the significance of various parts of the mass as it was being celebrated.

The altar was adorned with blue and gold decor, the class colors. Students of Our Lady of Perpetual Help School sang at the mass.

Breakfast, sponsored by the Catholic Daughters of America, Court St. Mary, No. 1155, was served at the parish hall immediately following the mass with 120 of the graduates seated at tables which carried out the blue and gold theme.

Honored guests present at the breakfast included the visiting clergy, Father Sullivan, who was the master of ceremonies; Mrs. Maurice Clark, grand regent of Court St. Mary, who graciously welcomed the graduates and the guests, along with Mayor Joseph Verducci, who spoke to them briefly; Mrs. Charles Parker of San Jose, archdiocesan chairman of Confraternity of Christian Doctrine for the C.D.A.; Dr. Ada Wood, Mrs. LaVerne Costanzo, N. B. Triplett and Joseph McGrath of the Jefferson High School faculty and staff.

Special honor was paid to students Uliana Malaspina, Joann Carlo, Richard Waller and Ronald Bjorkland, scholastic award winners, and to Laurie Fehl, Nancy Annacost, Anita Padilla and Linda Richmond, all senior class officers.

The Rev. Terence Loughran, S.S., keynote speaker of the morning, received an ovation from the graduates following his message, "Love of Jesus and Love of Neighbor."

Just-Wed Robinsons Honeymoon In Carmel and Southern California

A honeymoon starting in Carmel and continuing to Southern California followed the recent marriage of Shirley Anne Lazzaroni and Louis J. Robinson, who are now "at home" in San Francisco.

The bride is the niece of Mr. and Mrs. John Bufalini of 1138 Key avenue in San Francisco, and her husband is the son of Mrs. Frances Robinson of 838 Brunswick street in Daly City.

Arrangements of white stock helped to decorate All Hallows Church for the high noon nuptial mass.

For the ceremony, Shirley donned a gown of white tulle with lace floral appliques which was styled with a deep rounded neckline and long sleeves ending in points over her wrists.

Shirley, who attended Immaculate Conception Academy and who is now a clerk with the selective board of the U.S. government, was attended by Barbara Heckenberg, with Rita Fyne and Elvina Lazzaroni as bridesmaids.

The bride's father, Angelo Lazzaroni, gave his daughter in marriage, and the Rev. Father Leonard Ferrigno officiated. Best man was Miguel Ramos and Clarence Lazzaroni

seated guests with the aid of Charles Robinson.

Following the ceremony, a reception was held at the New Tivoli Restaurant.

her Westmoor senior classmates.

Dispensing the edibles and potables at Sunday's bon voyage party were the Rev. and Mrs. Herbert Tweedie, assisted by the hostess' mother, Mrs. Elia Schlatter, and daughter, Miss Penny Tweedie.

Among those present with the Putz and Wagner parents were others who share AFS local committee membership with Rev. Tweedie such as Americans Abroad chairman Jean Suenderman... AFS district advisor Laura Cottenham of SSF with Mr. C... the Hartley Appletons (finance chairman) with son Corky... new AFS committee member Hazel Eagleton... the Rev. Kenneth Hansen of Westlake Lutheran Church... WHS friends Blair Tudor and Tim Tweedie... Gary Wagner, home from Reed College... and far-future AFS travelers (hopefully) Diane Wagner, Perky Gillespie and Jamie Tweedie.

'MEMOS' FROM YOUR Stylist

By MR. ROBERT

Is your problem one of a thin mouth which you desire to make fuller in appearance? Try outlining your mouth with a dark outline just outside the natural edge of the lips and fill it in with a lighter shade of lipstick.

In some cases, adding a touch of white eye make-up only in the very middle of the mouth, where the lips join, will add even more pleasing fullness to the mouth.

Pleasing hair styling is another matter, but one that can be nicely handled at MR. ROBERT'S SALON OF BEAUTY. In fact, any attention to the hair — tinting, permanent, styling, is a specialty at MR. ROBERT'S SALON OF BEAUTY. Make your appointment soon. Phone WY 2-1717.

THIS WEEK'S HELPFUL HINT: Clear nail polish makes a good glue for mending broken china and many countless small items.

ANGELIC RETIRING officers of the Holy Angels' Women's Guild (seated left to right) Mrs. James Coghlan, membership chairman; Mrs. Richard Tallero, treasurer; Mrs. John Moran, vice-president; Mrs. Stanley Kottell, president; Mrs. Ralph Stewart, recording secretary and Mrs. John Bordman, corresponding secretary, are shown after an exciting and successful year. Standing in the photo are the newly

elected officers: Mrs. Louis DeSalvatore, membership chairman; Mrs. Pat Griffin, treasurer; Mrs. Alex Meyer, vice-president; Mrs. Anthony Cain, president; Mrs. Michael Amoroso, rec. secretary and Mrs. Daniel Clerick, corresponding secretary. The theme of the installation was "Bees To You" and a lovely cake decorated with red roses was served with the coffee after the meeting. (Photo by Ray Savage.)

'Knits and Gems' Showing Sunday

Today is the closing day for placing reservations for the "Knits and Gems" fashion show to be held this Sunday at the Red Chimney Restaurant in Stonestown, according to the presentation's chairman and co-ordinator Rosalyn Navarro.

Local Girl Is Ministry Candidate

Miss Judy Johnson, of Broadmoor Presbyterian Church in Colma, has been accepted by the San Francisco Presbytery as a candidate for the gospel ministry.

Previous to her Presbytery acceptance, the young lady had been taken under the care of the local church Session, governing body of the congregation. After her profession before these ruling elders, Miss Johnson's application for candidacy was presented to the Candidates' Committee of the Presbytery.

Judy is a senior at San Francisco State College, and has been active in campus Christian work. Presently she is chairman of the United Campus Christian Fellowship, official campus ministry of the United Presbyterian Church in the U.S.

This work involves her in counseling, tutoring in theology and Christian fellowship on campus. A worship service is held weekly by the group at Lakeside Presbyterian Church, 7 o'clock Friday mornings.

Upon graduation from San Francisco State next June, Judy will enter Yale Divinity School. After three years at Yale, she hopes to earn her Bachelor of Divinity degree, qualifying her as a full minister of the gospel. Campus Christian work, an expansion of many of the duties she now performs, is her ultimate goal.

Twenty-one years old, Judy lives at 780 Maddux Drive in Broadmoor. The Johnsons have been resident here since 1955. Her parents are the Raymond Johnsons, Brother Ray, Jr., is a recent graduate of Westmoor High School. Judy has two younger sisters, Karen, 14, and Nina, 10, and an older married sister, Darlene Houtalas.

In addition to her campus studies and Fellowship work, Judy works as secretary to the Rev. Ronald Clarke at the Logos Center, housed at Seventh Avenue Presbyterian Church in San Francisco. Rev. Clarke is coordinator of the Westminster Fellowship, campus pastor at San Francisco State College, and Presbyterian representative to the University of California Medical School.

Judy has been a Sunday School teacher at Broadmoor Presbyterian Church since her high school days, and presently teaches the Junior High age group. Her last summer's vacation took her to the Grand Canyon National Park to work as assistant to the Grand Canyon Protestant Chaplain.

After her application for ministry candidacy was accepted by the Candidates' Committee of Presbytery, Judy was given exhaustive interviews and tests, designed to discern her aptitude and motivation towards such a career. Upon her successful completion of these tests, her name was duly presented as a candidate for the ministry to the floor of the Presbytery meeting, June 11. She spoke before the assembly of ministers and laymen, making her profession of candidacy, and was voted into the care of the Presbytery, there to remain until her graduation and ordination.

The Rev. Herbert C. Tweedie, minister of Broadmoor Presbyterian Church, said "There is now, and will continue to be, a shortage of candidates for the ministry. They can come only from congregations such as ours, which are willing to nurture and encourage and teach our young people in the ways of Christian life. We are delighted that Judy has made this decision, and will follow her career with the greatest pride and affection."

OLPH Teen Dance

Second Graders Do Research on Food

The second grade class at Westlake School has been doing an extensive unit on "The Foods on Our Table." Miss N. Puccinelli is very pleased with the outcome from the children's research. The culmination activities, which were the end results of their studies showed much learning.

The "Food From Different Lands" committee went "way out." Their culmination activities included a large international menu, which the children called "The Gourmet's Delight." The menu was divided into three parts—appetizers, entrees and desserts. The children were amazed to learn what other children ate in other

areas of the country. This committee discovered such delicacies as smoked monkey from Brazil and goose liver from Holland, etc.

Also a map of the world was made and studied. They planned to make a bulletin board project using the map as their bases. The outcome was successful and very interesting for the other children in the class.

The children selected twenty countries that they had become familiar with as a result of their reading. The committee made the children from these areas with their native costumes and put them on a path which lead around the

map. Each of these children is holding a flag designating their country and food specialty. For example—"We like Sukiyaki in Japan." It is a bulletin board worth being on display.

Three food committees were organized for another successful project. Constructing a life like farm. It required careful planning but the results were very rewarding to both children and teacher. The farm included such items as the growing of wheat, the dairy area, an apple orchard, pigs, chickens and rabbits. Nothing was omitted to make this farm complete. Everything

on this farm was made by the children from the barn to the wheat field.

Not only has Miss Puccinelli's class broadened their concept of the many steps that are involved before the food reaches their table but a new door has been opened to a wonderful world of foods. They are more willing to try new dishes and also show more of an appreciation to mother's good American cooking.

THREE COMMITTEES from Westlake School are planning their farm project.

AND COMMITTEE — The Food From Different Lands committee at Westlake School, Ronald Aronovsky, Stanley Jacobs, Linda Grief and Scott Olson, showing the class their menu display and pointing to these areas on the map.

Village Nursery School Has Graduation Day

Graduation day of the Village Nursery School in Daly City, June 12, was an important event in the life of twelve of its pupils. Together with the other children they were entertained by Jack Smyth, who performed a clown act, saw movies of their own past activities in which they happily recognized themselves, and were treated with lemonade, sandwiches and potato chips.

The graduating class honored the teacher and "Moms" by performing special songs written for the occasion by Dorine Sagner, chairman of the event. The mothers returned this favor by singing the "Village Nursery School" song (lyrics by Dorine Sagner) to the tune of "The Farmer in the Dell."

Highlight of the day came when Mrs. Kay Seghetti, direc-

tor of the school, handed each graduate a cap and diploma. However most cherished by the kids seemed to be a folder, given to each one, depicting the schoolhouse and containing a picture of their beloved teacher Kay Seghetti.

This event brought to a close a highly successful and rewarding school year, which saw a dream come true... the establishment of a permanent home for the Village Nursery School, which had to move from the old Colma Community Center to make way for the freeway.

It was not an easy year for all parents, who gave much of their time to transform the residential dwelling at 474 North Parkview Avenue, into a Nursery School. However thanks to their downright hard

work, innumerable fund raising drives, generous donations of material and most of all the talented wall decorations painted by Tense Bullock, mother of little David, the building became a most attractive nursery school.

The Village Nursery School is a cooperative school, which gives the pre-school child (2½ to 5 years old) an opportunity to play with other children of his own age in varied activities, which include fingerpainting, easel painting, story-telling, clay modeling, music and dancing, block building, outdoor activities, excursions and other creative projects.

Each mother works one morning a week at the school, sharing this special experience with her child. This inter-racial, non-sectarian and

non-profit school is sponsored by the Adult Education Department of the Jefferson School District and licensed by the Department of Social Welfare. One or both parents also attend a class every Tuesday evening in parent-child relationship.

GRADUATION is a matter of degree, and a large class of the Village Nursery School received diplomas last Wednesday. Kay Seghetti, director, presented the awards which included Rosmarie Casazza, Larry Bercoyich, Kathy Sinclair, Lyn Matue and Timmy Bensch.

CRUSADE MEMBERS—Seventeen members of the 26-member 1963 San Mateo County United Crusade public relations committee were assembled for a group shot at the Peninsula Press Club-United Crusade press reception held last Thursday at the Hillside Inn in San Mateo. From left, seated: Mrs. Jean Pausler, Chairman; Day, Maurice E. Hamilton, Charles S. Parnell. Second row, from left: Mrs. Dee Toser, Rev. Edwin E. Barker, Mrs. Frances Jensen, Mrs. Ruth L. Scrimmon, Mrs. Albert Abramson, Eugene Molay. Third row: Len Mendelson, William G. Fitzgerald, George W. Neill, Paul M. McCarthy, Stephen J. Daly, Floyd McCue, and Bill Watts. —United Crusade photo by Dave Robinson.

Mrs. Roy's second grade class of Olympia School was taken by bus on a field trip to the Marin-Dell Milk Company. Two mothers, Mrs. Dean Elchinnoff and Mrs. Murray H. Freedman accompanied the group.

The children were taken through the milk plant, and were shown the clean machinery, huge vats and tanks, and bottling machines which are moved through by conveyor. The children enjoyed climbing on a ladder to peer into an enormous vat to see the orange drink being prepared. Automation is used very highly in all phases of preparing and pasteurizing the milk.

The class was also shown the tankers in which milk is brought from the ranch to the milk plant. Two tankers of 2500 gallons each are hauled pumped into tanks for pasteur-

ization.

The milk plant is inspected by a City Inspector, a State Inspector, and a Federal Inspector, as is all the equipment.

After pasteurization the milk is bottled and loaded into refrigerated trucks, so that bacteria will not form in the milk.

As the group moved through the Marin-Dell plant, men were constantly cleaning and washing the equipment and the floors.

Cartons of milk, chocolate milk, and orange drink were given to the children before they left. The group then adjourned to Golden Gate Park to enjoy the refreshing souvenir with their lunch.

They then were taken to the small animal farm in the park to pet the chickens, ducks, goat, and rabbits. It

A Civic Center—Soon

A week from today the demolition of the old Jefferson High School building will commence. It has been replaced with a modern, efficient structure to take care of the increased load of students in Daly City.

In another area, Daly City needs a similar program. We refer to a modern, efficient civic center.

Just as Jefferson outgrew its ability to serve, so has our present city hall. Already city services are scattered about, inconveniencing the citizenry and lowering the efficient operation of all facilities. This is costly to the taxpayers, not only in taxes, but in aspirin from the headaches it creates.

We are certain that the city council is aware of the need for better facilities, and is anxious to solve the present problems.

With the rising cost of land, and the very shortage of underdeveloped property in Daly City, we think it is time for the people to urge that steps be taken to create a civic center.

Another point not to be overlooked is with the tremendous growth in Northern San Mateo County, Daly City is the logical location for many county offices. The possibilities of making such a civic center a joint venture with the county should be explored to the fullest extent.

By Mona Baker

A man of many talents is artist Bill Wagner of Westlake, who has just completed a fish motif mosaic which will adorn the wall of Steinhart Aquarium in Golden Gate Park when the famed San Francisco landmark reopens next week.

He worked on the huge mosaic (40 feet long, five feet wide) in the back of his Westlake home, mounting it piece by piece on the wall which connects the aquarium and gem-mineral display. He has been working on the project for one year and is donating it to the aquarium.

In addition to his work in mosaics, he also has experimented with color processes for television. He developed chromachrome, the only system accepted by the television industry for determining the grey scale of telecast color.

Chief of the radio-television branch of the Sixth Army, he also produces television and radio programs.

He has just returned from Arizona, Mexico, where he attended the ceremony commemorating Juan Bautista de Anza, when the bones of San Francisco's founder were placed in a sarcophagus in the floor of the Cathedral de Nuestra Señora de la Asunción. He was official interpreter between Father Antonio Magallanes and the townspeople and a group of prominent leaders from San Francisco, who also attended the ceremony.

While there, Bill took many stills, motion pictures and made a tape recording of the proceedings which will be incorporated into future television programs.

The Tape Recording ...

"The record will show that the day and date are Wednesday the 19th day of June, 1963. We are in an unmarked Daly City police car, parked near the (unnamed) tavern. Here present are Sergeant Terry and myself, Lieutenant Hansen, of the Daly City police department. ...

"Inside the tavern is Detective Sheehy of the same department. He is there while investigating a case number (not given), which concerns the probability of a prostitute using that place in which to solicit customers. ...

"We are following an automobile north on Mission street. The auto contains Detective Sheehy and the woman who is the suspected prostitute. The auto is turning into the (unnamed) motel. They have now stopped, and Sheehy has alighted from the car and entered the motel office, where he is apparently registering. The woman has remained in the auto. ...

"We are now on foot, outside of unit number (not given). Sheehy's auto is parked in the carport. He and the suspect are inside the cabin. The light is on and the shade is drawn. ...

"Now Sheehy has emerged from the unit. He is going to his auto. He has obtained something from the interior of the vehicle. Now he is re-entering the motel unit. ...

"We are approaching this unit. We will enter upon receiving a signal from Sheehy. 'We are entering now.' 'Young lady, I'm afraid you're under arrest. We are police officers.' ...

"What is all this?" 'I'm sorry, Pauline. I'm a police officer. You're under arrest.' ...

"Where's the money, Sheehy?" 'It's in her purse, on that table there.' ...

"Pauline, will you please give us back the money that the officer paid you?" ...

"How much money is in the purse, Pauline?" 'Sixty dollars.' ...

"Let the record show that the young lady is extracting money from her purse. The money has been previously marked. She is handing me the money and I now hold it for evidence." ...

"Did you get the photo all right, Terry?" 'I got the picture.' ...

"All right, Pauline, do you want to put your clothes on now?" ...

"What is your full name, Pauline?" ...

Pauline?

"I have nothing to say." "Do you have anything to say why you are here?" ...

"I have nothing to say." "What did you get from the car, Sheehy?" ...

"She needed some matches for her cigarettes." "Do you deny the charge we have made?" ...

"Yes, Will I be able to make a phone call?" "Yes, just as soon as we get to the station and get through the booking process." ...

"Are you all dressed now? Do you have everything? Let's go, then." "The record will show that we are all in an auto and that we are en route to the Daly City police station. Sheehy is driving his own car to that location." ...

"We have arrived at the station and are presently in the office of the detective division. Pauline, will you give us your name now, for booking purposes?" ...

"I have nothing to say." "Come on, Pauline, we have to have your name for the records. It can't change anything for you to give your name." ...

"(She gives a name, which is not given here)." "Do you want to make a phone call?" ...

"Yes." (Dials). "No answer." "Do you want to make a statement to us?" ...

"No. May I have a cigarette?" "Yes. Well, let's get your picture taken and your fingerprints taken, and also the booking information. Then, if you want you can try another phone call." ...

"(The foregoing is a loose version of a tape recording made by investigators of this department. Place names and locations are, for the most part, omitted as being not necessarily pertinent to the story. The girl's name as given is not her real name." ...
